Dear fellows,

I would like to know the SJR index in Social Psychology for this journal. How can I access this information by myself?

Thank you.

Dear Andri, thank you very much for your comment. We suggest you consult the Scopus database directly. Keep in mind that the SJR is a static image (the update is made one time per year) of a database (Scopus) which is changing every day.

The Scopus' update list can also be consulted here:
