Dear Author,

Congratulations again on the acceptance of your EMRITE'22 paper! Please note that the registration for our conference and affiliated workshops is open, and the author registration ends on July 3, 2022. To take advantage of the early rate, the authors are encouraged to register before June 26, 2022. The detailed registration information can be found on the conference website.

In addition, the camera-ready submission deadline is now set to be July 3, 2022. We will email you when IEEE CPS makes the camera-ready submission site active. Thank you for your patience on this matter!

Feel free to contact us if you have any questions.

Best regards,

Nan Niu, Associate Professor
