International Journal of Economics, Commerce and Management, United Kingdom

International Journal of Economics, Commerce and Management (IJECM; ISSN 2348-0386) is a double blind peer reviewed e-journal from Rochester, United Kingdom, with a strong Editorial Board and a tested rapid peer review system.

IJECM intends to contribute to the development and propagation of knowledge on management, commerce & economics; thus feeding scholars, researchers and practitioners with valuable new insights from theory and practice.

In the same line IJECM invites authors to submit:

- empirical papers analyzing specific questions using qualitative or quantitative techniques
- conceptual papers developing propositions and outlining further research
- review articles/ perspectives summarizing and evaluating the stock of theoretical and applied knowledge
- epitomes and didactic articles on a specific issue of practical importance.

In all above cases, IJECM encourages quality papers by researchers. IJECM's this quest for quality is reflected in the structure of journal's editorial board as well as the strong network of reviewers, which allows the peer review process to be rigorous and constructive, helping to advance research work.
